WELCOME TO THE DIABETES UK VIRTUAL STAND

Though we cannot be with you in person, we are happy that you have taken the time to visit us today and learn more about the many ways that we can support you and your patients.

We have information dedicated to your own learning and development as a healthcare professional, and useful online educational tools and resources for you to signpost to your patients.

If you would like any more information, you can contact a member of our team at healthcare@diabetes.org.uk
CORONAVIRUS (COVID-19) GUIDANCE FOR PROFESSIONALS

Get the latest resources and information to support your patients living with diabetes during the Covid-19 pandemic.

Visit www.diabetes.org.uk/professionals/resources/coronavirus-clinical-guidance to find out more.
PASSIONATE ABOUT IMPROVING DIABETES CARE?
